Bachelor of Arts in Psychology

Education to take you places.

PROGRAM DESCRIPTION

. This program not only focuses on the problems and difficulties people encounter the world over, but also on their health, hopes, opportunities, aspirations, and fulfillment of goals.

Our mission at USIU is to produce graduates who are responsible, in touch with the human aspect and visionary contributors to the discovery, dissemination, and application of psychological knowledge.

As a graduate, you will acquire the skill to apply principles of behavior to human concerns and values in the world community and at the same time be proficient to pursue various career options in the businesses and human services.
