> By the Alumni Relations Office

The USIU-Africa Alumni delegation drawn from the graduating classes of the 80's and 90's, led by the Chairman of Bidco Africa Group, Dr. Vimal Shah (Centre). The team was keen to take stock of the infrastructural developments at the University since its relocation in 1970.

On Tuesday, July 13, 2021, a delegation of USIU-Africa alumni drawn from the graduating classes of the '80s and '90s visited the campus for a familiarization tour, noting that most of them had not been to USIU-Africa since it relocated to its current location almost 40 years ago. The group, whose leader and convener is Dr. Vimal Shah, Chairman of Bidco Africa Group, also included Dr. Manoj Shah, Group MD, Kingsway Group Limited; Sunil Moraria, MD, Abacus Property; and Mr. Ndirangu Maina, Group CEO, Consumer Insight. Also in the delegation were Mr. Kevin Mutiso, Founder and CEO, Alternative Circle; Kush Bhardwaj, MD, Optica; and Bipin Mawjee, Director of Finance, Edifice, among others.

They were given an extensive tour of the campus by the Vice-Chancellor, Prof. Paul Zeleza, assisted by Ms. Leah Gichuki, Clerk of Works and Mr. Michael Kisilu, Principal Officer, Alumni Relations, and were visibly exhilarated by the infrastructural developments undertaken by USIU-Africa over the years. In the evening, the high-profiled alumni hosted both the VC and Principal Officer, Alumni Relations, to a dinner at the Trademark Hotel. After the keynote speech by the VC, and having noted the tremendous growth of the university over the years, the alumni committed to partner with USIU-Africa in its various endeavors.
